LCC GRAND INVITATIONAL 2018 • NASHVILLE, TENNESSEE

A word from Nashville's Mayor – The Hon. Megan Barry

Over the years, Nashville has embraced the notion that no matter where you were born, no matter how you got here, and no matter whom you love, everyone should be treated with dignity and respect. As Mayor, I am committed to making sure that Nashville remains a warm and welcoming city for all. A city that embraces the many contributions of our LGBT community to our economy and to our way of life. We look forward to welcoming the members of the Lambda Car Club to our great city.

A word from our Chapter's President – Anthony Wilfert

Thank you for considering sponsoring our 2018 Lambda Car Club Int'l annual Grand Invitational!

Lambda Car Club Int'l is the largest collector car club for gay and lesbian people in North America. Membership is at 2,200, and there are 32 active regions throughout the U.S. and Canada. The club's annual gathering — The Grand Invitational — is held in a different city each year and is hosted by their respective chapter. In 2018, Music City will be hosting this event! It's an exciting time for Nashville to host, since becoming the "It" city in recent years. Several hundred classic and collectible automobile enthusiasts and their cars from all over the country will converge on Nashville for an entire week visiting local businesses and attractions. The Grand Invitational is also open to our sister car club members in the Freewheelers and Great Autos clubs. This is an event you won't want to miss!

Hosting an event like this is no easy task, so I am asking you to consider becoming part of this exciting event by become a sponsor today. In addition to attracting tourist to the area, we can't forget our Nashville roots which teach us to also give back.

You'll be pleased to know that a portion of the sponsorship funds received will be given to the charity of choice for our event, **Nashville CARES**. Their mission is to end the HIV/AIDS epidemic in Middle Tennessee. They work to achieve this through education, advocacy and support for those at risk for or living with HIV. With the contributions of donors like you, Nashville CARES offers services annually to more than 55,000 Middle Tennesseans infected and affected by HIV/AIDS including: HIV prevention education to over 35,000 youth and adults, 16,000 confidential HIV tests, and support services to 3,000 men, women and children living with the disease.

For more information, please feel free to contact Anthony Wilfert at wilfert.anthony@gmail.com, or Kerry Garner at kerrgarn@gmail.com. You can also find out more about our organization online at lccumberland.com. We graciously thank you for your support!
